SUPPLEMENT TO REPORT NO.

1. The Argentine Ministry of Foreign Affairs has instructed government-controlled newspapers and radio stations to play down their propaganda attacks on Wall Street and the United States Imperialist trusts. However, no orders have been issued for the attacks to cease completely.
2. Partially responsible for the curtailment of the propaganda campaign is the return to Washington of Ambassador James Bruce, who Casa Rosada circles believe will attempt to persuade the United States Government to effect ECA purchases from Argentina.
